If you're new to the world of [forex trading](#), you've landed in the right place. The foreign exchange market, also known as forex or FX, is the largest and most liquid financial market in the world. Trillions of dollars are traded daily as individuals, banks, and institutions buy and sell currencies across the globe.

In this beginner-friendly guide, we'll explore how to get started with forex trading on WinProFX – one of the Best Forex Trading Platforms in India – and why now is the perfect time to enter the currency trading world.

What is Forex Trading?

Forex trading involves buying one currency while simultaneously selling another. The goal is to profit from changes in currency value. For example, you might buy EUR/USD if you believe the euro will strengthen against the US dollar.

Unlike stock markets, the foreign exchange market is open 24 hours a day, five days a week. This offers greater flexibility for forex traders across different time zones.
