

Study MBBS at East European University Georgia: Admission, Fees, Ranking & Benefits

East European University (EEU) is one of the leading private universities in Georgia, known for offering globally recognized medical education at an affordable cost. Located in the heart of **Tbilisi**, EEU is a preferred destination for international students, especially from India, who aspire to study [MBBS abroad](#). With its modern infrastructure, English-taught programs, and focus on practical medical training, the university ensures that students are well-prepared for successful global medical careers.

About East European University Tbilisi

Founded in 2012, [East European University, Georgia \(EEU\)](#) has rapidly grown into one of the most reputable educational institutions in the country. The university is recognized by several prestigious organizations including the **World Health Organization (WHO)**, **National Medical Commission (NMC)**, and **World Federation for Medical Education (WFME)**.

EEU offers a six-year **MBBS (Doctor of Medicine)** program taught entirely in English, making it ideal for students from non-Georgian-speaking countries. The university is known for its international student-friendly approach, strong academic curriculum, and state-of-the-art facilities.

Why Choose East European University Georgia for MBBS?

1. Globally Recognized Degree

EEU's MBBS degree is recognized by major international medical councils, allowing graduates to appear for licensing exams such as **USMLE (USA)**, **PLAB (UK)**, **NMC Screening Test (India)**, and others.

2. Affordable Fee Structure

Compared to MBBS programs in the UK, USA, or Australia, the cost of studying MBBS in Georgia is significantly lower. EEU offers one of the most affordable tuition fee structures among Georgian medical universities.

3. English-Medium Instruction

All MBBS courses at EEU are taught in English, eliminating the language barrier for Indian and international students. This makes learning seamless and communication easier during clinical rotations.

4. Modern Infrastructure

The university features modern classrooms, simulation centers, laboratories, and clinical training facilities equipped with the latest medical technology. Students gain hands-on experience in affiliated hospitals from the early years of the program.

5. Safe and Welcoming Environment

Georgia is known for its safety, cultural diversity, and warm hospitality. Tbilisi, the capital city, offers affordable living costs and a student-friendly atmosphere with easy access to transportation and accommodation.

6. NMC and WHO Approved

EEU's medical programs are officially approved by NMC and WHO, which means Indian students can return to India and practice medicine after clearing the **FMGE/NEET** exam.

East European University MBBS Fee Structure (2025)

Particulars	Annual Fees (USD)
Tuition Fee	\$5,000

Hostel Fee	\$1,000
Medical Insurance	\$150
Registration & Visa	\$300
Total Annual Cost	\$6,450 (approx.)

💡 **Note:** The total cost for the 6-year MBBS program at East European University ranges between **\$36,000 to \$38,000**, depending on hostel preferences and additional expenses.

In Indian Rupees (approx.), the annual tuition cost is around **₹4–5 lakhs**, making EEU an economical choice for quality medical education abroad.

Eligibility Criteria for MBBS Admission

To apply for MBBS at **East European University Georgia**, Indian students must meet the following requirements:

- Must have completed **10+2** with Physics, Chemistry, and Biology.
- Minimum **50% marks** in PCB (for general category) and **40%** for reserved categories.
- Applicant must be **17 years old** by the time of admission.
- Must qualify **NEET (National Eligibility cum Entrance Test)** for eligibility to study abroad and return to practice in India.
- Valid passport and required travel documents.

Admission Process
